Logan Charity Fund donated RMB 50 million to support Wuhan's Fight against COVID-19

On 26th January, Logan Charity Fund donated RMB 50 million to Wuhan through the Charity Association of Shenzhen, which aimed to support Wuhan's fight against the outbreak of COVID-19.

The COVID-19 outbreak has been affecting China and all its people. The Company has been paying close attention to the epidemic since the outbreak. After the announcement of calling for donations was made by Wuhan, Logan Charity Fund launched the donation process immediately, and made the donation in special support for Wuhan's fight against the epidemic.

Logan Charity Fund is a charitable organization initiated and established by Logan Property Holdings. The donation will mainly used for medical equipment, material procurement, and epidemic prevention and control. Representative of the Company said, Logan will provide continuous support for the prevention and control of the epidemic situation in Wuhan, and earnestly fulfill the corporate social responsibilities of the company.
